INDEPENDENT LEARNING

Work assigned via a weekly folder — set Monday, marked Friday. The order and timing is up to them.

GUIDED LEARNING

Teacher-led lesson (loop subject or topic) + reading aloud together. Wednesday works well as a project or activity day.

1-1 TUITION

A progress check, problem-solving session, or extension lesson. While one learner checks in, the other continues independently.

PRODUCTIVE DOWNTIME

Reading, hobbies, sport, music. End the day reconnecting as parent and child, not teacher and pupil.
